

EPIGRAMME for HER MAIESTIE ADELHAIT

Wherein a fool maketh demands vpon his Quene.

I called on thee, thogh art aboue my station,
Mine vnfit loue before all to proclaime;
Yet at thy gate was I denied my passion.
So, raging, I to heauen did exclaime—
I shold be compensated for my shame.
The guard me cleped lucky but to liue,
For me, he said, thou hast no *Fuchs* to giue.
